*“For with you is the fountain of life,
and in your light we see light.”
- Psalm 36:10*

WELCOME TO THE FEST 2018

A day of Faith, Family and Fun...all for FREE.

It's a day of Faith as we come together in the light of the Lord. **Be the Light** is the theme for FEST 2018. In a world and culture often filled with difficult news and distress, we know that with Christ as our Light, He is always brighter than the darkness. We also know that we have the great commission to carry Christ's light and love to all the world.

It's a day for Family. The music, events, activities and displays – along with the affordable food prices – are all designed to be 'family friendly.' The FEST is our way of clearly communicating the importance of family, family values – and that our Church is committed to strengthening your family life.

It's also FUN... there's really something for everyone. Take a look through the items in this 'day of' program; you will see hundreds of activities and programs for you to enjoy at The FEST.

The FEST is FREE...it really is... thanks to wonderful sponsors and supporters. Please take some time to express your thanks when you see them at The FEST or when you visit their businesses. These good companies believe in our community and want to support strong family life. We are blessed by their support.

Be the Light. I hope and pray you enjoy your day. May it renew the light and love of the Lord in your heart so that you can go home... back to work and school...and bring the light of Christ to everyone you meet. Together we can make our world better because we will be living in the light and love of the Lord.

Enjoy this great day of faith, family and fun...The FEST.

Sincerely,

Father Bob Stec
on behalf of our amazing FEST team

STICK TOGETHER!

We often say The FEST is more than just a day in August. The FEST does GREAT good all year long.

This year, thanks to our good friends at Marc's, not only will you enjoy an amazing FEST day, even more, together we can transform our region through a special project called **Stick Together®**.

Stick Together® is a character education program offered to schools by Project Love and Duck Tape® in an effort to provide a fun and different way for students to explore the important social-emotional learning concepts of kindness and sticking together to combat bullying and negative behaviors in schools.

Here's the idea: with the support of Marc's, we hope to have Stick Together® in every school in our region.

Imagine the impact of having hundreds and thousands of students in the first months of this school year discussing respect and kindness. Stick Together® is a proven and

effective way to address the painful issue of bullying and lack of respect.

Stick Together®
— Against Bullying —

project love®
a kind word. a changed world.

There are a few things all of us can do:

- **If you're a student, take the Stick Together Pledge** which will be located in the Quad, near the Marc's Moms' Relaxation Station.
- **Ask your teacher/principal to sign up** for the FREE, easy to use, and proven Stick Together program. You can register at: www.theFEST.us/sticktogether
- **If you're a parent, stop by the Stick Together Booth** to learn more about resources you can use to discuss respect and kindness with your child(ren).

Special thanks to Marc's for their support of The FEST and for carrying this important effort across our region.

"Jesus spoke to them again, saying, 'I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.'"

- John 8:12

A Million Lights!!!

Christ calls us to **Be the Light!** If everyone who joins us today at the FEST goes home and does 20 acts of kindness in the month of August, it will bring a million acts of light to our region. So let's presume that not everyone will do it. If half of us go home and do 50 acts of kindness...simple, quick, thoughtful - to **Be The Light** - in the month of August, we will create a million lights.

Imagine how much good that will do for our community. Our community will be so much brighter, happier and holier if each of us makes a commitment to **Be The Light** this August and always.

Share a story, or picture, of how you received, or shared, the light by going to: www.TheFEST.us/Light. **A Million Lights!**
