TAKE HOPE HOME

# THE FEST 2022

*A day of faith, family and fun!*

The FEST goes beyond just one day... it's an opportunity to inspire and energize people of all ages in our region – for the entire year.

# Welcome Home to The FEST 2022!

It's a great joy and blessing to come home to the Center for Pastoral Leadership for this inspiring day of faith, family and fun. **In so many ways, this year, this FEST is truly a HOMECOMING!!!**

It is so good to gather with family and friends – come to a comfortable and peaceful place – and share the stories of God's love, and our faith and hope in the Lord.

Our prayer is that this day will inspire and stir a deep sense of HOPE in God's abiding presence in your life and in our community. We need the HOPE that comes from the Lord. We need to hear - again and again - of God's promise to walk with us in good days and in challenging times. **We need FEST 2022 to renew our spirit and fill our hearts with the HOPE of the Lord. Even more, we need to TAKE HOPE HOME!**

As good as it will be being together today, we need to be united in our commitment to bring the HOPE of Christ to **our homes, our neighborhoods, our schools and stores**. We need to take the hope and promise of the Lord everywhere we go. **Our country - and our world - desperately need us to TAKE HOPE HOME.** Throughout The FEST, you will see and hear ways you can carry this HOPE home with you. You can also find more information and great reminders on our website: [theFEST.us](http://theFEST.us).

Thank you so much for joining us at The FEST. It's a HOMECOMING... and it's so good to have YOU and the thousands of other brothers and sisters here with us!! **Special thanks to our sponsors, donors, and FEST raffle supporters.** Their support allows us to have this inspiring day of faith, family and fun – all for FREE. Please join me in especially thanking our friends at Marc's. God bless them for their goodness.

**Welcome HOME to FEST 2022. May God bless you and your loved ones. Enjoy the day!!!**

Father Bob Stec  
and The FEST Team

## Take HOPE Home

Christ is the **LIGHT** stronger than the darkness.  
He is the **LOVE** that rolled away the stone.  
His **MERCY** is greater than our sin, struggle and challenge.  
Christ is the **HOPE** that does not disappoint.

This year, more than ever, we need to take HOPE home. The Great Commandment calls us to "Love God and Love our Neighbor." Neighbors are more than just those we live next to, or those we 'get along with.' We need to allow God to stretch our mind and heart to understand that we are called to love one another in the same way Christ loves, accepts and forgives each of us. This is the path to building a better community, country and world. This is the source of our HOPE. This is the way to Christ and the HOPE that we, together, can build a better world for all.

**Take HOPE Home – and everywhere you go!!! Think of ways that you can live out the GREAT Commandment in your life and in your part of the world. You can also find practical suggestions by going to: [TheFEST.us/takeHOPEhome](http://TheFEST.us/takeHOPEhome)**

### We are doing some "HOME" improvements!

Last year we introduced a new APP called SOTE.life (Salt of the Earth). It's a great way to 'take faith and hope home' with you. **It's like TikTok for God.** We've had a great start and received lots of good feedback to make it even better – easier to use – more helpful in offering daily hope and inspiration.

**SOTE.life**

Special thanks to our friends from **Church Budget** who are working to make sure we can use the best of modern technology to keep us all connected to God and to the community of faith.

**Check it out...it's new and improved... it's SOTE.life!!!**

### A Blessing for your Family

**Join deacons from across the Diocese to receive a blessing with your family!** Whether expecting a child, praying for a sick relative, going through a time of change, or you'd simply like to pray for living out the faith as a family in your HOME, we invite you to come experience the loving and healing power of God!

### The work of Father Bosco!

For the past 10 years, Father Don Bosco, a priest from India has made the trip from Vijayawada, his Diocese in India, to Cleveland, OH to attend The FEST. It's his annual retreat... his annual pilgrimage. The faith, energy and love he feels while at The FEST give him the energy and courage to push forward in his ministry in India. There, he works and coordinates efforts to encourage and empower over 1,000 religious sisters in his diocese to help break the cycle of poverty for young girls! With the help and support of The FEST, we are working to make a real difference locally and across the world.

## MEMORIES...

One of the best parts of FEST day is to see FEST t-shirts from the years, each with its unique design and message/theme.

**If you would like to remember and reflect the FEST themes over the years, we've put together a FEST theme page at ([www.theFEST.us/theme](http://www.theFEST.us/theme)).** As you read and reflect on the themes/messages of the years gone by, feel free to leave your favorite reflection, thought, and memory.

**Father Bosco has also taken the time to create a FEST prayer book based on these themes.**

### **Jesus is the Best, He's the Reason for the FEST (2000)**

*God is the reason for every liturgical season, for every feast we celebrate. He turns our purpose-driven life into a mission-accomplished life. Bringing hope to our bleak and bustling lives, He gives fullness of life.*

### **I Want to be Holy, Just like You (2001)**

*This is a personal call to holiness. Gradually, step-by-step we make progress in our lives. Instead of a discouraging attitude: 'I can't', we can make a genuine and inspiring effort in our own way in the path to holiness.*

**See more at [www.theFEST.us/theme](http://www.theFEST.us/theme)**

## CLEAN UP HELP...we need you!
