THEFEST

Faith, Family, & Fun
for 25 Years!

Welcome to The FEST 2025!

United. In faith. In hope. In love.

For twenty-five years, The FEST has been an inspiring day of faith, family and fun. Thousands of people join us each year to celebrate our faith in Jesus Christ. We come together as one family of God – **one people united in our faith.** The FEST paints a picture of the Church – **strong, alive, and united together.** It's a day that gives all of us hope – the love of God is alive. God and family are always best when we are together as one.

As you walk through The FEST grounds you will see many of your FEST favorites (BMX show, Marc's Mom's Area, displays, inflatables, and more). This year you will also see some wonderful reminders of the themes, images and messages of The FEST over the past twenty-five years. You will also find a beautiful image of the Last Supper.

It's a powerful reminder and invitation for each of us to sit with the Lord, spend some time in prayer and reflection. It's a powerful invitation to join us at the end of The FEST day when we gather together in prayer with Bishop Malesic and Bishop Woost at the Table of the Lord for Mass at 8 pm followed by an amazing American Fireworks Display.

Thank you for joining us for our 25th Anniversary. Even more, thanks to all the wonderful people and local companies that have been so supportive and helpful. **The FEST only happens each year because of your goodness – their goodness – all of us working together for the glory of God.** Please take a minute to thank our faithful core sponsors by going to: www.TheFEST.us/sponsor-thank-you.

Special thanks to The FEST team for their great efforts to create this special day for our Diocese and region. Thanks, also, to our volunteers. **You make The FEST possible.** We are blessed to have The FEST on the campus of the Center for Pastoral Leadership home of Borromeo Seminary, Saint Mary Seminary, the Diaconate Formation Program, the Pastoral Ministry Formation Program and the Ongoing Formation for Clergy Office. Enjoy this beautiful campus and their gracious hospitality.

Enjoy this special day. **We are united together in faith, hope and love.** God bless you.

Father Bob Stec
and The FEST Team

Special thanks to our friends at Marc's for their faithful commitment and involvement in The FEST. They are truly part of community and care greatly for our local community. The FEST is one shining example of that commitment. Their lead sponsorship brings so many other companies and sponsors 'to the table' at The FEST.

- ▶ **Thanks to all of our sponsors and vendors.** We are so blessed to have so many companies and local partners who make this great day possible. As you can, please stop by their displays and booths today and thank them.

You can check out the raffle on **FEST** day or by going to: www.TheFEST.us/raffle
- ▶ **Thank YOU for joining us at The FEST.** It is truly a blessing for all of us to be UNITED in faith, in hope and in love. May **The FEST** inspire you and all who join us to work together every day - and always - to build the Kingdom of God – to be a people united in the love of God.

From the Beginning

The FEST you see today is an evolution from the early, simple days back in 2001 when we gathered with 3,000 people and had a hand-full of tents. And while The FEST you see today is quite a bit larger and different, what remains the same are wonderfully good people who have been a part of the foundation and the work-force of The FEST.

Tom Goebel, his family and his company Barons Bus has been a part of The FEST from the beginning.

It was the Goebel family who helped construct and take down the portable stages in the first years of The FEST. They also provided (and continue to do so) the shuttles that make it easy and convenient for everyone to park and come to The FEST. We are so blessed by their commitment to The FEST. Tom and his family really believe that 'faith and family' go hand in hand.

Louise Formica has been involved 'from the beginning' of The FEST.

She is the source of so many of the creative ideas, crafts and activities that you see in the Kid's Area. Louise along with her own family (brothers, sisters, children, grandchildren, nieces and nephews) are all involved. They have spent 25 summers sharing their faith, along with their gifts and talents. The FEST is a family affair for the Formica family. God bless Louise.

Sal Baglieri brought the amazing McDonald Mobile to the first FEST. Out of this trailer we fed everyone who joined us way back in 2001. Sal has a strong faith and has always wanted his Church to be alive, strong and good for kids, teens and family. To this day, Sal continues his involvement by making sure we have all the burger buns we need. In this season of his life, he volunteers on FEST day to make sure the operations run smoothly.

The Sorgi Family was also part of the foundation of The FEST. John Sorgi ran American Fireworks and heard about our efforts to continue to inspire the next generation of members and leaders in the Church. He said, "I want to be a part of this." From that day forward, he and his family have provided the best, most amazing, American Fireworks Display at The FEST. John is now with the Good Shepherd, Jesus Christ, in Heaven. His family continues their involvement. John watches the show from Heaven as we look up and end each FEST with a heavenly display!

There are so many other stories and examples like Tom, Louise, Sal and the Sorgi Family. We are blessed by their goodness, hard-work and commitment to use The FEST to spread the Good News of Jesus Christ and to strengthen the bonds of faith and family!

James Reinhart has long been a friend and a fan of **The FEST**. He loves the family values and the sense of community that he finds on FEST day. James will tell you that there's a goodness that comes when you bring good people together. That's why this year, for FEST 2025, he brings Drive Point Auto Group to The FEST. It's a combination of dealerships across our region that have come together to serve you and your family. They are driven to make car-buying easy and comfortable. On FEST day you'll have the chance to meet James and his team and check out some of their vehicles which can take care of you and your family. Check out Drive Point Auto Group at: www.drivepointautogroup.com

United. In faith. In hope. In love.

The theme for our 25th Anniversary celebration is **UNITED**. It's a great theme and even more it's a message that is at the heart of The FEST. Every year, for the past 25, wonderful people have worked hard to create an inspiring day of **faith, family and fun**. By design, The FEST is a one day celebration so that we can **bring people together – bring our community together – and be united throughout the day with the Lord and with our brothers and sisters in the Lord.**

United in faith, in hope and in love, we pray, is your experience today at The FEST. Even more, it is the pattern and vision of Jesus Christ. May FEST day inspire and remind us how Christ calls us to live each day and always and forever.

Every year after The FEST we receive so many comments from FEST goers about how much they appreciate standing, sitting, and singing with thousands of other believers united as one. **May we go forth every day to be one in the Lord and builders of a better world in the mind and heart of Jesus Christ.**

Share with us your best FEST memories
from the years gone by and your 'best moments'
from FEST 2025. Let's be **UNITED together**
in faith...in hope....in love.

The FEST is more than just a day.

There are activities and opportunities throughout the year that can help you (and all of us) do the work of the Lord and build a **kinder, more loving, UNITED community**. The FEST has served as the inspiration for several nonprofits and groups that serve in our local community and across the globe.

OneHope NEO

What started as Alpha Village almost 10 years ago has evolved into a wonderful outreach ministry, serving our brothers and sisters in the Clark-Fulton Neighborhood of Cleveland. Each year we serve over 10,000 community members; providing food, job training, financial literacy, mentorship

and most importantly, HOPE. Everyone is welcome and those who walk through the doors feel appreciated, honored and respected. They feel a sense of belonging – they feel **UNITED** with their neighbors. There are many ways to get involved and get connected! From collecting coats at your church, to volunteering for our food distributions, to signing up to mentor a High School Leader... stop by the OneHope Booth at The FEST to learn more – **or visit the website: www.OneHope.org. Let us stand UNITED with our brothers and sisters in Cleveland.**

The Warmth Project

Thousands of children and adults in the OneHOPE neighborhoods need coats and winter gear (hats, scarves, and gloves). We need everyone who comes to The FEST to simply clean out your closets (and drawers) in late October. The winter items you don't need anymore can help bring warmth to thousands in our region. To learn more, and be added to the Warmth Project email list (we will simply remind you to clean out your closet and give you drop off locations), **go to: www.TheFEST.us/outreach.**

Scan the QR Code for
more information on
community outreach!

High School Mentors

A few hours a month can change the life of a high school student. So many of the high school students in the city of Cleveland would benefit from a mentor – **someone who can help them learn, grow and navigate the path to a fuller, more abundant life.** Literally, two hours a month can provide the support and help to guide them on a good path. Interested? Want to learn more??? **Go to: www.TheFEST.us/outreach**

Community Clean Up

Can you imagine if two or three hundred of us, at The FEST today, can come together this Fall to do a community clean up in the Clark-Fulton area??? A few hours - and many hands - can make a real difference for those in need. Let us know if you are interested, and we will send you all the details.

TCU-India Talitha Cumi Unnati Young Girl, Rise

Unemployment, poverty, human trafficking and child exploitation are rampant issues for young girls in India, especially young, Christian women. In most instances, if a girl does not continue her education beyond the first 2 years of high school, she will fall into a cycle of poverty and exploitation, often being “married off” to a much older man. TCU-India strives to keep these young girls in school with scholarships, while providing mentoring and basic needs to each girl in the program. **Learn more at the TCU-Booth or by visiting www.TCUIndia.org. Let us stand UNITED with our sisters in India.**

Mission Possible Dominican Republic

For the past 18 years, The FEST has been working alongside Mission Possible to build up our brothers and sisters in Higüey, Dominican Republic. **We have built a medical clinic, a school, community centers and over 75 homes.** We also walk alongside the people we serve, providing services, trainings, job opportunities, facilitating Bible study groups and so much more. We are looking to grow our outreach! If you are interested in learning more about the work we do, **visit www.MissionPossible.us.**

Journey Home Restoration - Roof Blessings Program

Based in Elyria, **Jason and his team are an incredible blessing to our local church community through their Roof Blessings Program.**

They work throughout the region to provide free roof inspections and insurance reviews to churches and their members. For every home that receives a roof inspection, the sponsoring church or organization receives \$200!

90% of Journey Home Restoration customers qualify for full coverage and a roof replacement... Your insurance company cannot raise your rates or drop your coverage throughout this process. Jason and his team make it easy and seamless!

I had Journey Home Restoration come out and look at my roof. They quickly, efficiently and professionally walked the roof and assessed the damage. I reached out to my insurance company and within 2 weeks received approval for a complete roof replacement. I just picked my shingle color and I can't wait to have it installed! Jason and his team have been great to work with!
- Amanda B. from Brunswick

With the crazy weather we've had this summer, reach out to Journey Home Restoration and give them the chance to give you a free inspection! **You win – by getting an inspection (and maybe new roof) – and the FEST wins – by getting a \$200 donation!**

Start your day positive!

No one has been a better friend of The FEST than Len Howser. For almost twenty-five years, Len was the faithful companion to so many people across our region through **the morning show on 95.5 The FISH.** Len has a great heart for Christian unity. He also has a real sense of Contemporary Christian Music. He has been our sounding board and has helped The FEST bring the BEST artists to the main stage. This year's theme has been at the heart of his ministry and work – **united. We are called to be united together in faith, hope and love.** While Len isn't on the radio any more, you can still hear his voice and receive his great message of hope each day. He and his partner Sara Carnes offer a daily podcast called **"Start Your Day Positive."** Check it out at: www.startyourdaypositive.com. Len and Sara will join our own FEST Emcee, Greg Wasinski, on the mainstage all day long.

Stop by and say 'hi' to Len and Sara.

I believe in Miracles!

Brian Glazen started his company, Think Media Studios, in 2005. Right out of the gate he jumped in and started working with The FEST. **He's been a loyal friend, a guiding light, and a creative sounding board for 20 years.** His favorite FEST theme came from 2004 – **Expect a Miracle** and the theme song of the year, **"I Believe in Miracles!"** It's truly a miracle that we are celebrating 25 years of The FEST this year and it's by God's grace and the goodness of loyal, dedicated and creative friends and partners like Brian Glazen and THINK Media Studios! **Thank you, Brian!!!**

A Grateful Salute to Our Safety Team!

Every day, we are thankful for the brave men and women who protect and serve our communities. On FEST day, our gratitude runs even deeper as we recognize the incredible effort that goes into keeping everyone safe.

A very special thank-you to:

- **The City of Wickliffe and Mayor Joe Sakacs** for their generous hospitality and tireless work to host The FEST each year!
- **University Hospitals** and their outstanding team for running The FEST First Aid Booth with care and professionalism.
- **The Wickliffe Police and Fire Departments** for their year-round planning and commitment to keeping everyone safe.
- Our neighboring **Police and Fire Departments** who provide additional support, personnel, and equipment to help ensure a smooth and secure day.
- **Great Lakes Construction and Cleveland Barricading Systems** for supplying the jersey wall barricades that protect the campus and all who attend.
- **Physicians Assistance Ambulance** for providing additional ambulances and transportation.

Your service, generosity, and partnership help make The FEST a safe and joyful experience for all. Thank you!
